AUCTION SALE
Abingdon, Illinois**

These outstanding calves at Marellbar Farm were sired by the noted Klaymor Footprint. Two outstanding sons of Klaymor Footprint will sell in this sale.

What is **"The Sale of Satisfied Buyers"?**

It is an auction of purebred Scotch Shorthorn cattle that has earned its name honestly. At the close of the auction sale of purebred Scotch Shorthorns to be held at Abingdon, Illinois, on Friday, March 21st, the thirty-seventh sale under this same management will have been completed. When this sale was established fourteen years ago this March, we gave it the name **"The Sale of Satisfied Buyers."** We had no right to this name at the time because proof that buyers were going to be satisfied was somewhat lacking.

We have come a long way since the day of our modest beginning and, with convincing figures to back up our claims, we are more proud than ever of the name **"The Sale of Satisfied Buyers."** Through the 36 auctions held during the fourteen year period, we have sold approximately 2,250 purebred Shorthorns for the staggering total of \$505,000. We are proud indeed of the record. The consignors display their confidence by bringing more and better cattle to each sale. The confidence of buyers is displayed through the continued patronage of old customers and an ever-widening circle of new customers.

No business enterprise can reach complete success except under conditions where each transaction results in a profit for BOTH SELLER and BUYER. The enviable reputation enjoyed by Abingdon Shorthorn Sales may be attributed very largely to the fact that a loyal group of consignors have supplied honest, healthy, well bred cattle and they have been happy to sell them at prices that left buyers a liberal margin for profit.

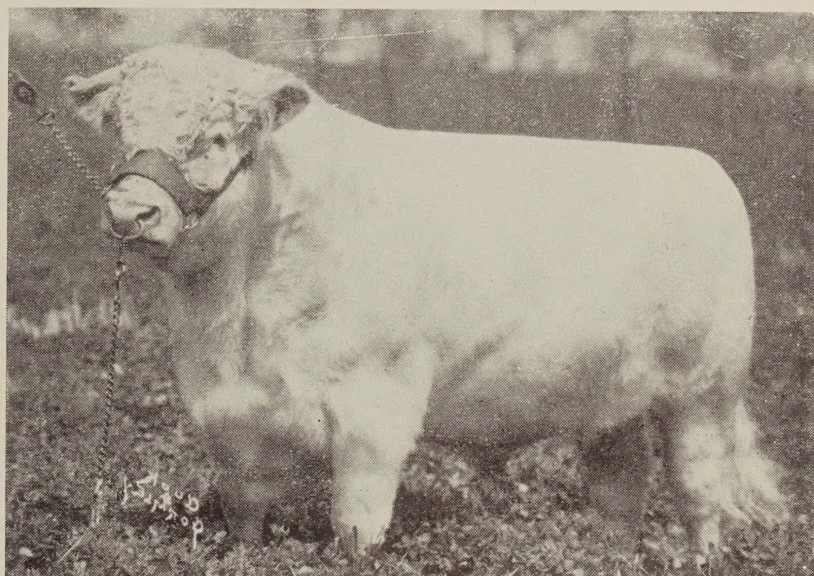

More than \$505,000! This convincing amount of money now defends the name **"The Sale of Satisfied Buyers!"** We believe the cattle to be offered on March 21st will add further prestige to the name. We invite you to study this catalog and we repeat again: **"You can buy with confidence at Abingdon."**

HAL LONGLEY, Sale Manager

Note the large number of cattle in this sale that are directly descended from these two famous sires . . .

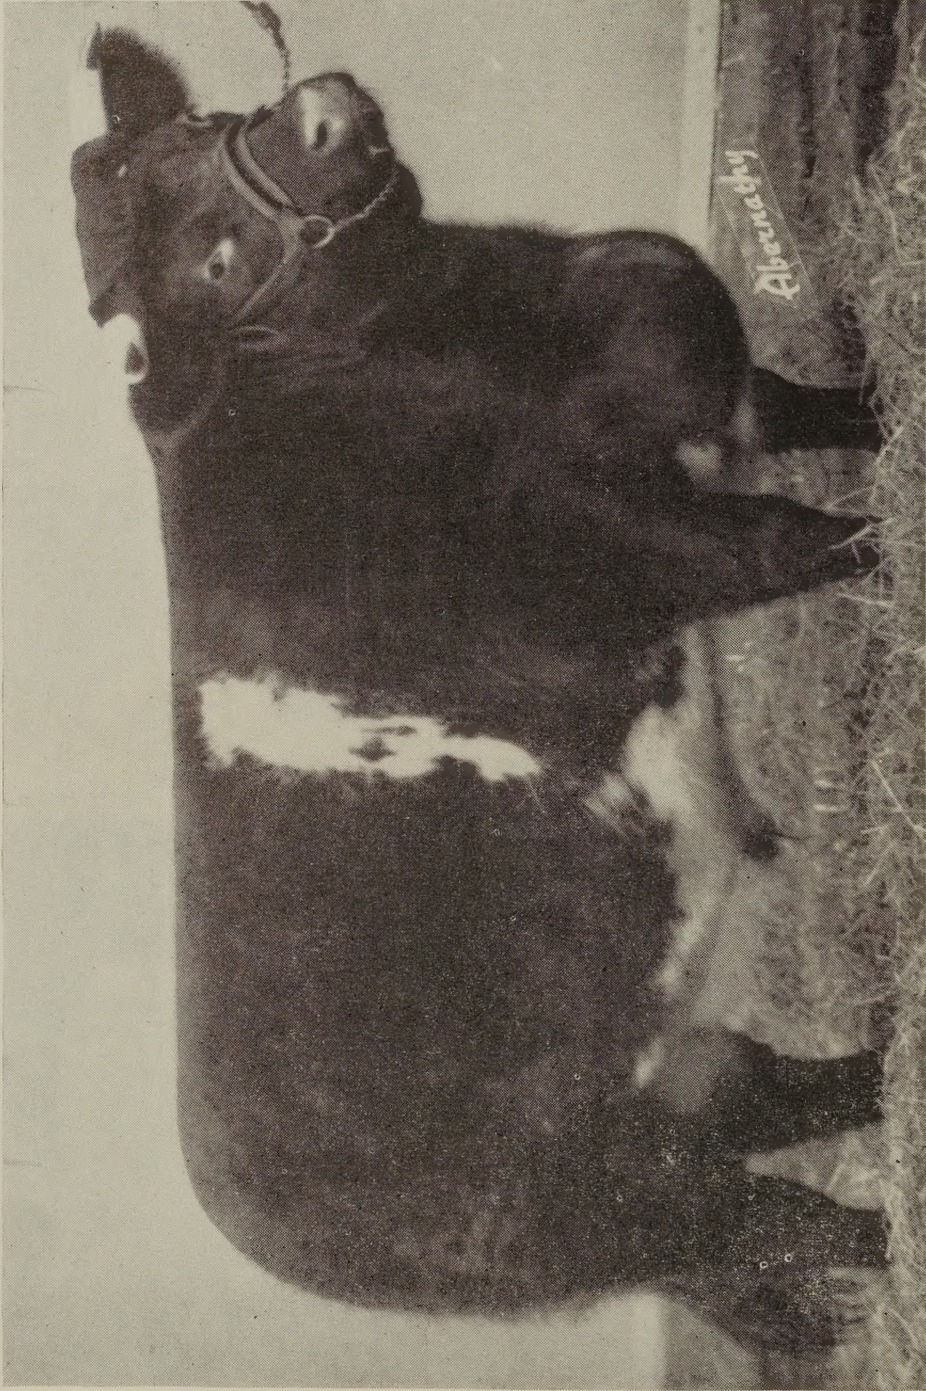

Edellyn Royal Leader,
in service at Edellyn
Farms.

Imp. Calrossie Mercury,
the Perth champion in

and a granddaughter
will sell in this sale.

A careful study of this catalog will convince anyone that the blood of the breed's most famous sires is represented in this offering. This is the place to buy. Now is the time to buy.

Shorthorns continue to win highest honors in interbreed competition. Above is shown Royal Jupiter, grand champion steer over all breeds at the 1946 International Livestock Exposition.

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's costs of transportation.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's Disease and health charts will be provided.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

Four Questions ? and four honest answers .

**Why do buyers like to buy
in Abingdon Sales?**

*Answer—Because we offer the kind of Shorthorns they
want at prices they can afford to pay.*

**Why are there so few complaints
about cattle bought in Abingdon Sales?**

*Answer—Because we offer healthy, thrifty cattle but we
don't make any pretense of offering over-conditioned
cattle.*

**Why are so many bulls offered
in the Abingdon Sales?**

*Answer—Because farmers and stockmen in the Abing-
don territory appreciate good Shorthorn bulls. They
know that the calves will attain greater weights at
younger ages and they also know that the females
sired by Shorthorn bulls will give an abundance of
milk.*

**Why are so many bred females
offered in Abingdon Sales?**

*Answer—Because Abingdon buyers have indicated that
they like quick dividends. More than this, they
have indicated that they like to buy where the selec-
tion is large. That's the reason we offer such a
large number of females in each sale and why so
many of them are close to profit.*

Oakdale Secret—This tidy, little red heifer is too young to bring her worth. She was sired by Victor's Beau, the sire of first prize winners at the Denver and Ft. Worth shows. She is out of one of our older cows that has proved exceptionally dependable.

B. & Q. and Santa Fe Railroads. Frequent busses run from Galesburg to Abingdon but please remember that we will be glad to meet trains in Galesburg if advance notice is given.

The Abingdon Sale . . .

Where the Scotch bloodlines are of the best.

Where the individuals are of top quality and in splendid condition, though without the pampering that often hinders future usefulness.

Where pedigrees and health certificates are delivered promptly.

Where each consignment is backed by a reliable breeder.

Where the sale management functions on the theory that "If buyers secure courteous treatment and profitable cattle, sellers are always going to find a most satisfactory market."
